Environmental Statement

It is our ongoing effort to keep the work we do environmentally friendly

It is the policy of CBS to:

- minimise the extent of environmental impacts of operations within the Company's sphere of influence;
- liaise with our clients on potential environmental issues and work with them to address concerns, in so far as project constraints permit;
- strive to minimise any emissions or effluents which may cause environmental damage;
- conserve energy through minimising consumption and maximising efficiency;
- minimise the use of materials which may be harmful to the environment;
- promote efficient purchasing which will both minimise waste and allow materials to be recycled where appropriate;
- employ sound waste management practices;
- put in place procedures and support information that enables compliance with the law, regulations and codes of practice relating to environmental issues;
- provide suitable training on environmental issues for employees;
- recognise and encourage the contribution every employee can make towards improving environmental performance;
- develop procedures and, where appropriate, set performance targets;
- sustain and develop this policy by the implementation of an Environmental Management System (EMS).
